

# DT Year 3 Spring 2

## Key Skills:

Select the appropriate materials for the task  
Choose particular materials giving reasoning.  
Describe the properties of materials.  
Layer materials using more than one joining technique.  
Draw their design using sketches and words.  
Create a realistic plan.  
Select the appropriate tools for the task.  
Explain what they changed to improve their work.

## Sequence of Learning

If you were an Egyptian what would your collar look like?  
What materials will you need? Why have you selected these materials?  
What is the best way to join the selected materials?  
What tools will you need to make your collar?  
Evaluate your work.
