What will be our key questions?

- When and where did the fire start?
- Why did the first fire start?
- Why did the fire spread so quickly?
- How did people try to put the fire out?
- How and when was the fire put out?
- I will share my learning through our Parents Afternoon.

Key Events and facts:

<i>When and where did the fire start?</i>	The fire started on Sunday 2 nd September 1666 in Thomas Farriner's bakery on Pudding lane.
<i>Why did the first fire start?</i>	The fires used for baking were not put out correctly.
<i>Why did the fire spread so quickly?</i>	The buildings in London were made from wood and very close together making it easy for the fire to spread from one to the next. The weather was very windy, spreading the flames.
<i>How did people try to put the fire out?</i>	Leather buckets and water squirts were used to try and put the fire out, but they did not work. King Charles II also ordered for buildings to be pulled down to stop the fire spread.
<i>How and when was the fire put out?</i>	By Thursday 6 th September, the wind had died down. This meant that people were able to put out the flames
