Puzzle 1 Pieces	PSHE learning intention	Emotional literacy and social skills development learning intention	What will be our key questions?
1. Boys and girls	I am starting to understand that sometimes people make assumptions about boys and girls (stereotypes)	I understand some ways in which boys and girls are similar and feel good about this	Are there similarities between what boys and girls like/dislike? Are there always differences? Can you think of some similarities between boys and girls? Why do you think we make assumptions about boys and girls?
2. Boys and girls	I am starting to understand that sometimes people make assumptions about boys and girls (stereotypes)	I understand some ways in which boys and girls are different and accept that this is OK	Why do you think we make assumptions about boys and girls? Is it OK for girls to like train duvet covers? Is it OK for boys to like pink duvet covers? What makes us different? How does it feel to be different to our partner? Why is it important that we are not all the same?
3. Why does bullying happen?	I understand that bullying is sometimes about difference	I can tell you how someone who is bullied feels I can be kind to children who are bullied	What does bullying mean? Is bullying different from teasing? Why do some people bully? Why are some people bullied? How would it feel to be bullied?
4. Standing up for myself and others	I can recognise what is right and wrong and know how to look after myself	I know when and how to stand up for myself and others I know how to get help if I am being bullied	How does it feel to belong? How does it feel to be left out? How does it feel to be rejected? What can we help people to feel they belong? What can we say to invite people to join us?
5. Gender Diversity	I understand that it is OK to be different from other people and to be friends with them	I understand we shouldn't judge people if they are different. I know how it feels to be a friend and have a friend	
6. Celebrating difference and still being friends	I can tell you some ways I am different from my friends	I understand these differences make us all special and unique
