Puzzle 1 Pieces	PSHE learning intention	Emotional literacy and social skills development learning intention	What will be our key questions?
1. Families	I understand that everybody's family is different and important to them	I appreciate my family/the people who care for me	How are your families the same? How are they different? What is a family? What makes a family? Who is in your family? What does your family mean to you? What words describe how you feel about your family?
2. Family conflict	I understand that differences and conflicts sometimes happen among family members	I know how to calm myself down and can use the 'Solve it together' technique	What do you see in the picture? What feelings do each of the people feel? How might this situation be solved? What is the conflict? Who is affected? Can the conflict be solved? What are the possible solutions?
3. Witness and feelings	I know what it means to be a witness to bullying	I know some ways of helping to make someone who is bullied feel better	
4. Witness and solutions	I know that witnesses can make the situation better or worse by what they do	I can problem-solve a bullying situation with others	How do you think a witness/bystander might feel if they saw someone being bullied? What would you feel? What might you do?
5. Words that harm	I recognise that some words are used in hurtful ways	I try hard not to use hurtful words (e.g. gay, fat)	What is bullying? What might the consequences be for using hurtful words?
6. Celebrating difference: compliments	I can tell you about a time when my words affected someone's feelings and what the consequences were	I can give and receive compliments and know how this feels	How does it feel to receive a compliment? What compliments could you give to someone in the class? How are the leaves special, unique and different? How are we special and the same? How are we special, unique and different?
