2nd April 2020

Dear Parents, Carers and Children

It seems amazing to think that only 4 weeks ago we were busy planning our summer term activities and celebrations and now it feels as if someone has pressed pause on the remote control for us all. I do hope those of you that are at home are keeping safe and well. I have loved seeing all your home schooling work, the teachers are sharing it all with me so I can enjoy it. I am still coming into school for the keyworker children two days a week (we have a rota of teachers) and it's good to see those children too and all their amazing work.

It is a very difficult time for all of us and your home learning is of course really important but I just wanted to emphasise the word learning. I think it's important that all of us use this time as an opportunity to experience new learning e.g. reading new books, learning to cook, planting and growing things and perhaps trying new crafting hobbies. All of this is learning and although we love the fact that you to keep up with your school work we are setting these other things are just as important.

I also have some more exciting news to share with you all. After the Easter holiday I will be handing over the role of Head Teacher of the Pinvin Federation to Mrs Jennings. As you know she was appointed to start from September but we have decided that as there is so much planning to do for September she should start earlier. I will not be disappearing however, and will be staying on as Advisory Head Teacher to the Federation both next term and next year on a part time basis.

It has been a privilege to be your Executive Head Teacher since September and I am so pleased to be staying on supporting the schools as they continue with their improvements, with the aims of being the very best schools they can be.

I wish you all a very happy Easter and some quality family time. Please keep safe and well everyone and don't hesitate to contact us via the office email if we can help in anyway.

Best wishes

J L Tinsley
