Dear Parents and carers

We do hope you are all keeping well and coping with the current situation. It does seem a long seven weeks since we last saw you all and we are certainly missing you.

Following the latest briefing from the Government you will now be aware that it is their hope that Reception, year 1 and year 6 pupils may return to school on June 1st in small groups. They have also said it is their ambition that all pupils will return for the last month of the summer term. However, this is very reliant on the infection rate falling and remaining well under control.

As a leadership team we have been looking very closely at the latest guidance that the Government sent out last night and will be planning very carefully with our Governors, the DOWMAT and Worcestershire School transport to see how we can make this work in as safe a way as possible. We will be sending out a questionnaire to Reception, year 1 and year 6 parents shortly to gather feedback

We would like to reassure all parents and carers that attendance at school this term is NOT compulsory and we totally respect your judgement, as parents, if you do not wish to send your child in. There will be no consequences in terms of attendance fines should your child not come to school this term.

We will of course be in touch with more details and plans as we get more guidance from the Government and the DOWMAT.

Yours sincerely

Mrs Sandra Jennings
