Dear Parents / Carers,

Please see the criteria for Critical workers below. If you come under one of these categories and need to request weekly provision for your child / children please can you return the form attached by 12.00 noon today at the latest. I know this is a short deadline but please understand that we need to make our plans and be prepared. We have a limited number of places as children will be spaced 2m apart in the classroom. If we have a larger number of requests than we can accommodate, we will need to prioritise requests. We will confirm if we are able to offer you this provision and provide details of which bubble your child will be in later today and other arrangements. Provision will start from tomorrow.

You should only request a place if you and your partner are unable to look after your child at home because you are critical workers and provision is an absolute necessity. The safest place for your child is at home where possible. Children will be grouped into bubbles and will be supervised in school by a member of staff to access the same remote learning that children are doing at home. Please note that this may not be their usual adults.
